Lyrics by: K. Block

If you save you love me
I will be a fortunate man
Drop your inhibitions
Lay them on the ground where you stand

The only thing I'll change is everything
Oh come on won't you let me
I will lift you up

Maybe I'm not very
Pretty but I'm all that I got

So if you think about letting me in
You'll never worry about nothing again

If you let me love you
I will come through
If you let me love you
I will come through
If you let me love you
I will come through
I will come through
Yeah yeah yeah yeah

I'll celebrate you woman
Carry you above everyone yeah
And in the shady hours
I will be your midnight sun

The only thing I'll change is everything
Oh baby won't you let me
I will lift you up

I'd rather spend a moment with you
Than forever with anyone
Pre-Chorus
Chorus

So if your going let me
I will come through
If you let me love you
I will come through
If you let me love you
I will come through
I will come through
Yeah yeah yeah yeah

Let me love you
I will come through
(Repeat 3x)
