Sometimes I think about leaving home  
Just pulling up stakes and go wandering  
I don't know where I belong  
I hope what I'm doing is right  
Lord, I pray I'm not wrong  
'Cause you know when you make mistakes  
It's really hard to right those wrongs  
And you know when you cross life's bridges  
They are just as good as burned  
And you know when you think that you've got it  
It all just falls apart, don't it?  
I was hoping you would come along  
Baby, there to keep me strong  
I will keep you strong, too  
I will never try to hold you down  
I want you to stay around  
I love you for you  
'Cause you know when you make mistakes  
It's really hard to right those wrongs  
And you know when you cross life's bridges  
They are just as good as burned  
And you know when you think that you've got it  
It all just falls apart, don't it?  
I was hoping you would come with me  
Baby, stay around to see  
I will never do you wrong  
I will never try to hold you down  
I want you to stay around
