I'm not right
I'm not fine
I wanna be rain
That tastes like wine

I wanna be good
I wanna be great
I wanna be everything
Except for your mistake

Send me inside your mind
I wanna know what you're thinking
This time, I'll try to be the one
You always thought you knew
It's true, I'm blue, and without you:

I'm not right
I'm not fine
I wanna be rain
That tastes like wine

I wanna be good
I wanna be great
I wanna be everything
Except for your mistake

Let me into your view
I wanna know how you see this thing
That us, I must keep managing
My madness over you
Its true, I'm blue, and without you:

I'm not right
I'm not fine
I wanna be rain
That tastes like wine

I wanna be good
I wanna be great
I wanna be everything
Except for your mistake

I don't want your sympathy, just understanding
And we'd be better off if I just took some time
To try to understand you

I'm not right
I'm not fine
I wanna be rain
That tastes like wine

I wanna be good
I wanna be great
I wanna be everything
Except for your mistake

I'm not right
I'm not fine
I wanna be rain
That tastes like wine

I wanna be seen
I wanna get clean
I wanna just fall out of inbetween

I'm not right, I'm not right
I don't wanna be your mistake
