Minutes turn to hours  
Days that stretch to years  
Dreams that fade with time  
And they just disappear  
They ripped apart my memory  
The ones that get me through  
Everything reminds me  
Of moments spent with you

I can't change all that came before  
I can't change; I know I want much more

All the time in the world  
Can't make up for what I miss  
All the love in the world  
Won't fill the emptiness, no, no, no

We got all caught up  
Life spun us around  
Words never spoken  
Are lost and never found  
Well I feel regret  
For what I didn't say, yeah  
Wonderin' how I ever  
Let it slip away

I can't change all that came before  
I can't change; I know I want much more

All the time in the world  
Can't make up for what I miss  
All the love in the world  
Won't fill the emptiness  
All the time in the world  
Can't make up for what I miss  
All the love in the world  
Won't fill the emptiness

You're so far away  
But you're always on my mind  
Wishin' you could stay

Forever by my side  
We're running out of time

All the time in the world  
Can't make up for what I miss  
All the love in the world  
Won't fill the emptiness  
All the time in the world  
Can't make up for what I miss  
All the love in the world  
Won't fill the emptiness

No, no  
No, no, no, all the love  
All the love in the world, no, no  
All the love, no, oh no
