I had to walk away,  
Down the road just to clear my head.  
On another fun filled day,  
Of doin' fine, but you're back instead.

Now I'm no the only one,  
Who saw you for just what you were.  
You pushed me, and I'd keep tryin'.  
I'd leave you, but you'd start cryin'.  
But you won't fool me,  
I'm smarter than that, yeah.

Chorus  
You were the one.  
Who taught me what I don't need.  
And I thank you-  
I thank you for that.  
You were the one,  
Who brought me to my senses.  
And I thank you-  
Now just leave me alone.  
(Yeah, just leave me alone.)

I had to drive away,  
Far away 'til you could not find me.  
And it was a beautiful day,  
Liberated and you're far behind me.

What you did I'll never mention, no, no, no.  
Where you were, I don't want to know.  
I don't want to know, yeah.  
But you won't fool me,  
I'm smarter than that, yeah.

Chorus

What you did I'll never mention.
