Well me and love have an understanding  
Not to be too demanding  
We both know someone's crossed that line  
Well I'm on fire, there's no turnin' back  
I tripped the switch that sprung the trap  
There's no point in tryin' to hide this time

I can't fight it  
I can't keep myself from wanting you  
I can't fight it  
No matter what you say  
No matter what you do  
I can't keep from loving you

Give me a blindfold and cigarette  
There's no rescue and no regrets  
The King of Fools beaten by the Queen of Hearts  
I went and busted out the heavy guns  
A freight train that I can't outrun  
Well I surrender, and I'm holding out my arms

I can't fight it  
I can't keep myself from wanting you  
I can't fight it  
No matter what you say  
Whoa, no matter what you do  
I can't keep from loving you  
Hey

Well me and love have an understanding  
Not to be too demanding  
Well I surrender, and I'm holding out my arms

I can't fight it (I can't fight it)  
I can't keep myself from wanting you  
I can't fight it (I can't fight it)  
No matter what you say (No matter what you say)  
No matter what you do (No matter what you do)  
I can't keep from loving you

Hey (I can't fight it)

Whoa, I can't fight it baby
