Hey, hey
Did you ever think
There might be another way
To just feel better
Just feel better about today?

Oh no
If you never wanna have
To turn and go away
You might feel better
Might feel better if you stay

Yeah yeah
I bet you haven't heard a word I've said
Yeah yeah
If you've had enough of all your tryin' just give up
State of mind you're in

If you wanna be somebody else
If you're tired of fighting battles with yourself
If you wanna be somebody else
Change your mind
Change your mind

Hey hey
Have you ever danced in the rain
Or thanked the sun
Just for shining, just for shining
Over the sea

Oh no
Take it all in
The world's a show
And yeah, you look much better
Look much better when you glow

Yeah yeah
I hope you have heard every word I've said
Yeah yeah
If you've had enough of all your tryin' just give up
State of mind you're in

If you wanna be somebody else
If you're tired of fighting battles with yourself
If you wanna be somebody else
Change your mind
Change your mind

Hey hey
What you say
We both go and seize the day
'Cause what's your hurry
What's your hurry anyway

Yeah yeah
I hope you heard every word I've said
Yeah yeah
If you've had enough of all your tryin' just give up
State of mind you're in?

If you wanna be somebody else
If you're tired of losing battles with yourself
If you wanna be somebody else
Change your mind
Change your mind
Change your mind
