I'm far away from here if you look inside, yeah  
You yeah you have a vacant stare  
Say what you tryin' to hide no, no, no, no, no

Take my time 'cause you're wastin' mine  
And you're not too kind and I don't think it's funny no

I yeah I sit and watch the sky It sometimes talks to me  
(Come on talk to me)  
You yeah you say you'd rather die  
You say what's on the TV, TV no, no, no, no, no

Gonna take my time 'cause you're wastin' mine  
And you're not too kind and I don't think it's funny no  
Gonna take my time 'cause you're wastin' mine  
And you're not too kind and I don't think it's funny no,  
no, no, no

Ahh, ahh, ahh  
Ahh, ahh, ahh  
Ahh, ahh, ahh

I see a child cry Then calm a storm of tears  
You yeah you say it's all a lie  
You say what's he got to fear  
He's just a little kid man no no no

Gonna take my time 'cause you're wastin' mine  
And you're not too kind and I don't think it's funny no  
Gonna take my time 'cause you're wastin' mine  
And you're not too kind and I don't think it's funny no,  
no, no, no  
Take my time 'cause you're wastin' mine  
And you're not too kind and I don't think it's funny
