I won't be so hard on me today
I start to take myself so seriously
Shouldn't be so hard just to be effortlessly

It shouldn't be so hard to keep it together
It shouldn't be so hard to say the right things to you
It shouldn't be so hard just to be effortlessly

Weightless worries fall away
Wasted pools of energy
I want to know, I want to breathe

Effortlessly, just be
I want to be effortlessly
I want to be

It shouldn't be so hard to be inspired, no
It shouldn't be so hard just to write this song
It shouldn't be so hard to be wrong or to agree

It shouldn't be so hard to change the world, no
It shouldn't be so hard just to change your mind
It shouldn't be so hard just to be effortlessly

Weightless worries fall away
Wasted pools of energy
I want to know, I want to breathe

Effortlessly, just be
I want to be effortlessly
I want to be

I won't be so hard on me today, no
I start to take myself so seriously
Shouldn't be so hard just to be effortlessly

Effortlessly
I want to know, I want to breathe
I want to simplify my needs
I want to live inside this moment

And just be effortlessly, just be

I want to be effortlessly
I want to be
