You are so sexy my love
You've got me tripping over my tongue
And I can't say what I mean
But I mean it when I say

That I fell so hard for you
That it broke my heart in two
Now im wrapped in black and blue
You know im crazy bout you

Should I take a chance?
Or should I sit and wonder of you?

I wanna tell
Everybody, everybody
That you're so much more
Than they've ever even seen before

And I wanna tell
Everybody, everybody
If they touched your hand
Then they'd never wanna let you go

Like a junkie to a rush
I'd trade my mama for your touch
Oh, wait that might just be too much
Well id do anything but that

You are so tempting my dear
You strip away my useless fears
No you don't care that im weird
And thats amazing yeah

Oh as you walk on by
Oh I, I sit and wonder of you

I wanna tell
Everybody, everybody
That you're so much more
Than they've ever even seen before

And I wanna tell

Everybody, everybody
If they touched your hand
Then they may never wanna to let you go

Standing around like nobody's watching
Nobody else but me
So far beyond my imagination
If they could only see yeah

Oh you are so sexy my love
You've got me tripping over my tongue
And I cant say what I mean
But I mean it when I say

I wanna tell
Everybody, everybody
That you're so much more
Than theyve ever even seen before

And I wanna tell
Everybody, everybody
If they touched your hand
Then they may never wanna go no

I wanna tell
Everybody, everybody
That you're so much more
Than they've ever even seen before

And I wanna tell
Everybody, everybody
If they touched your hand
Then they'd never wanna let you go
Everybody, everybody
