It's bitter  
It tastes a lot like winter and will it  
Release me?  
So heavy  
How much more to bring down the levy?  
Kill me, ohh don't kill me

And I've been stayin' high  
And I've been feelin' sorry for myself  
Ohh yea  
And I've been resurrecting my  
My fortress to protect myself

Shattered, tired, beaten, worn down and tattered  
And can you even hear hear me?  
What do you expect out of me?  
I'm bein' buried alive and screamin'  
Can't you see, ohh can't you see me?

I  
And I've been stayin' high  
And I've been feelin' sorry for myself  
Yea  
And I've been resurrecting my  
My fortress to protect myself

Weary, my hands slapped, I'm cautious and leary  
Of tryin', ohh but I'm tryin'  
And how am I to figure it out?  
All alone I've been kickin' around  
Without my home yea, I'm so lost, so yea

And I've been stayin' high, high  
And I've been feelin' sorry for myself  
Ohh yea yea yea  
And I've been resurrecting my  
My fortress to protect myself

And I've been stayin' high, high  
And I've been feelin' sorry for myself  
(Myself)  
Ohh yea yea yea

And I've been resurrecting my  
My fortress to protect myself
