Rock on gold dust woman
Take your silver spoon
Dig your grave
Well it's a heartless challenge
Pick your path and I'll pray
Wake up in the morning
See your sunrise loves to go down
Lousy lovers
Pick their prey but they never cry out loud, cry out loud
Well did she make you cry
Make you break down
Shatter your illusions of love
Is it over now
Do you know how
To pick up the pieces and go home
So rock on
Ancient queen
Follow those who pale in your shadow
They say that rulers they make bad lovers
You better put your kingdom up for sale, up for sale
Well did she make you cry
Make you break down
Shatter your illusions of love
Is it over now
Do you know how
To pick up the pieces and go home
And go home...
Ooh, pale shadow of a woman
Ooh, black widow, oh yeah
Ooh, pale, she's a shadow, she's a dragon (Taken by,
taken by the sky)
Gold dust woman (Taken by, taken by the sky)
Tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Tell me, tell me, tell me, tell me
Did she make you cry
Make you break down
Shatter your illusions of love

Is it over now
Do you know how
To pick up the pieces and go home
Tell me did she make you cry
Make you break down
Shatter your illusions of love
Tell me is it over now
Do you know how
To pick up the pieces and go home
Go home...
And go home...
