Well I remember watchin'
All the once upon a times
I remember thinkin'
Who's content and who's for rent

And you said
"Don't you want to be like that man?"
Oh no, no, then he cracks that smile
Baby, that don't look so bad

Happy, I'm happy
That ain't good enough for you
I'm happy, I'm happy, yeah
Oh no, no

And I remember thinkin'
How they thought that we should be
I remember feelin'
Baby, might be you, that ain't me

Well you said
"Don't you want to be like that man?"
I said, "Oh no, no, no, no", then he cracks a smile
Baby, that don't look so bad, yeah

Happy, I'm happy
But that ain't good enough for you
I'm happy, I'm happy, oh yeah
Oh no, no

Happy, I'm happy
But that ain't good enough for you
I'm happy, I'm happy, yeah
Oh no, no, no

The suns that rise, a young girl's sighs
A baby cries, an old man's eyes
The suns that rise, a young girl's sighs
A baby cries, an old man's eyes

I remember watchin'
All the once upon a times

I remember thinkin'
Who's content and who's for rent

And you said
"Don't you want to be like that man?"
Oh no, no, then he cracks that smile
And that don't look so bad to me

I'm happy, I'm happy
But that ain't good enough for you
I'm happy, I'm happy
Oh no, no

Happy, happy
That ain't good enough for you
I'm happy, I'm happy
Oh no, no
