Well if you're wondering
Where I've been all evening
And if you think that I've drifted off
Well I'm leavin' here, I've finally found the answers
Don't worry I'm not lost

I'm in the moment
The one where nothing matters and everything's
alright
I'm seeing things so clearly now
And you're the reason why I'm in the moment
And I'm alive
I'm alive

I've been restless but you have been so patient
Well I carelessly wasted my time
But you left the door open
And you kept the light on
You waited for me to arrive

I'm in the moment
The one where nothing matters and everything's
alright
I'm seeing things so clearly now
And you're the reason why I'm in the moment
And I'm alive, and I'm alive
I'm alive

Well I've finally come around
And now I see
Every road has taken me
Where I wanna be
I wanna be

I'm in the moment
The one where nothing matters and everything's
alright
I'm seeing things so clearly now
And you're the reason why I'm in the moment
Said I'm in the moment
And I'm alive, and I'm alive, and I'm alive
I'm alive
