I don't mind you comin' here
And wastin' all my time
'Cause when you're standin', oh so near
I kinda lose my mind, yeah

It's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you comin' here
And wastin' all my time

And I don't mind you hangin' out
And talkin' in your sleep
It doesn't matter where you've been, oh
As long as it was deep, yeah

You always knew to wear it well
And you look so fancy, I can tell
I don't mind you hangin' out
And talkin' in your sleep, yeah

I guess you're just what I needed
(Just what I needed)
I needed someone to feed
Well, I guess you're just what I needed
(Just what I needed)
I needed someone to bleed
I don't mind you comin' here
And wastin' all my time, time
'Cause when you're standin', oh so near
I kinda lose my mind, yeah

It's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you comin' here
And wastin' all my time

Well, I guess you're just what I needed
(Just what I needed)
I needed someone to feed
I guess you're just what I needed
(Just what I needed)
I needed someone to bleed

Well, I guess you're just what I needed
(Just what I needed)
I needed someone to feed
I guess you're just what I needed
(Just what I needed)
I needed someone to feed
Yeah, so bleed me

You're just what I needed
Oh, you're just what I needed, yeah
Oh, you're just what I needed, yeah, yeah
