"Let Your Love Flow"

Oh there's a reason
for the sun shining sky
and theres a reason- why im feeling so high
must be the season, when that love light shines all
around us
so let that feeling grab you deep inside
and send you reeling
where your love can't hide
and then go stealing
through the moonlight night with your lover
Chorus
just let your love flow like a mountain stream
and let your love grow with the smallest of dreams
and let your love show and youll know what i mean its
the season
just let your love fly like a bird on the wing
and let your love bind you to all living things
and let your love shine and youll know what i mean
thats the reason
well theres a reason for the warm sweet nights
and theres a reason for the candle light
must be the season, when that love light shines all
around us
so let that wonder take you into space
and there you wonder, his loving embrace
just feel the thunder
as he warms your face, you cant hold back
chorus (x2)
just let your love shine
well thats the reason.
