Aah aah aah aah
Aah aah aah aah

I know some things
Well they don't feel right
And I can't sit tight
Still there's some other things
That'll make you smile
They can make you high

Still there's some other things
That'll make you turn your head
Make you change your direction
If you check their worth
Well they're not too deep
And you need some correction

I've got infatuation with the little things
(Aah aah aah aah)
They make me feel good
(Aah aah aah aah)
Why should I feel bad ooh?
(Aah aah aah aah)
I've got infatuation with the little things little things
(Aah aah aah aah)
If you try you could, and then you won't be
(Aah aah aah aah)
Feelin' that way no more no
(Aah aah aah aah)

Sun rise moon rise
Well it all seems nice
Even though it's predictable
Take it twist it, what's in my head
Simply unrestrictable

I've got infatuation with the little things
(Aah aah aah aah)
They make me feel good
(Aah aah aah aah)
Why should I feel bad ooh?
(Aah aah aah aah)

I've got infatuation with the little things little things
(Aah aah aah aah)
If you try you could, and then you won't be
(Aah aah aah aah)
Feelin' that way no more no
(Aah aah aah aah)

Aah

(Aah aah aah aah)
They make me feel good
(Aah aah aah aah)
Why should I feel bad?
(Aah aah aah aah)

One time one time one time
(Aah aah aah aah)
I've got infatuation with the little things
(Aah aah aah aah)
They make me feel good
(Aah aah aah aah)
Why should I feel bad?
(Aah aah aah aah)
