We don't got tons of money
We ain't got fancy things
We find our treasure in each other
Lay down beside me, baby
I wanna take your hand
Don't think I'll ever let you go

We already know
I'm all out of wait

I'm gonna give you everything
From my heart, my name
You're gonna give me everything
For my heart, my name

Years now, we've been together
Sun or stormy weather, either way
That's how we're always gonna be
I kiss your back so softly
Your skin, it tastes so sweet
Don't think I'll ever let you go

We already know
I'm all out of wait

I'm gonna give you everything
From my heart, my name
You're gonna give me everything
For my heart, my name
For my heart, my name

[instrumental]

I'm gonna give you everything
From my heart, my name
You're gonna give me everything
For my heart, my name
I'm gonna give you everything
From my heart, my name
You're gonna give me everything
For my heart, my name

For my heart, my name
For my heart, my name
