I sit here and wait
It goes against my will
What I can't replace
Is the time of mine I spent so far away

Can I remind you?
Can I piece together a scene of what we were?
If I'd only known this was just the start of a long
goodbye

I'm waiting to be on your mind
I feel like I'm falling through
I'm waiting to be on your mind
To show you I'll be fine

Where did you go?
I thought I saw the light inside your eyes
Oh..
How will I know
If you can even hear yourself inside?

Body or mind
Whatever can hold you
Better than pretending that this is a life

Oh...

If I let you go
But I need a hand to push you away

Oooh...

I'm waiting to be on your mind
I feel like I'm falling through
I'm waiting to be on your mind
To show you I'll be fine

I've been waiting
And I feel like I'm falling through

I'm waiting to be your mind
To show you I'll be fine

Waiting to be on your mind
And I feel like I'm falling through
I'm waiting to be on your mind
To show you I'll be fine
I'm waiting....waiting
I'll be fine
Falling through time
