"One Life"

Late night beauties make do lovers.
What I don't need is just another, crazy night, in my
empty life.
I'm tired of beat down pick up lines.
It's even getting hard to smile so I'm headed home, all
alone.
Here's one thing I hope you believe.

[CHORUS]

One life, I'm tired of waiting.
This time, I'm not hesitating.
You're the one thing I sure don't want to lose.
I've got one life, I don't want to waste it you know I,
I want to spend my one life with you.

You're the woman's name on my regret.
You might forgive I won't forget those trusting eyes, as
I told my lies.
Here come those long hard days of summer.
I don't think I can take another year this time, for what I
need to find I hope somewhere deep you love me.
Cause I'm not better off on my own.

[CHORUS 2]

One life, I'm tired of waiting.
Baby this time, I'm not hesitating.
You're the one thing I sure don't want to lose.
I've got one life, I don't want to waste it and you know I,
I want to spend my one life, my one life with you, with
you.
I've got one life, tired of waiting.
Baby this time, I'm not hesitating.
You're the one thing I sure don't want to lose.
I've got one life, I don't want to waste it and you know I,
I want to spend my one life, my one life with you.
I want to spend my one life, my one life with you, with
you, with you.
No more crazy nights baby.
No more crazy nights baby.
