You went out again and again
But I'm missin' you today
I don't know why you went away?
And there's so much more to say
But I'll be with you someday

So many days I'm searchin'
So many nights I'm left alone
Sometimes the song of the wind
Well it's, only the warning for the storm

Well we shared a season running through the fields
Never had a reason to be scared of things that were so
unreal
Making our own stories, playing our own games
Never had no worries, never thought things would ever
change

But I'm missin' you today
Don't know why you went away?

Times I sat and wondered nights we sat and cried
I'm proud to be your brother no one knows how hard we
tried
To make it to tomorrow for just another day
There's never time to borrow for things I'll never get to
say

But I'm missin' you today
Don't know why you went away?
Yes I'm missin' you today
I don't know why you went away?

So many days I'm searchin'
So many nights I'm left alone
Sometimes the song of the wind
Well it's, only the warning for the storm

Moments turn to hours months they turn to years
It's different now without you with your image crystal
clear
The child was the teacher, a brother and a friend

A fragile little creature who'd do it all again and again

But I'm missin' you today
Don't know why you went away?
And there's so much more to say
But I'll be with you someday

So many days I'm searchin'
So many nights I'm left alone
Sometimes the song of the wind
Well it's, only the warning for the storm

Well we shared a season running through the fields
Peace little brother
