Eyes, eyes that can shame the deepest sea
Tears, tears that can bring me to my knees
Silver's gonna turn to dust
Gold will someday surely rust

But she's got a hold on me
All of my memories
I can't belong to her, I can't break free
Yeah, she's got a hold, she's got a hold on me

Haze showing me what I have to know
Lead, leading me where we both will go
Mountains crumble into sand
Oceans will become dry land

But she's got a hold on me
All of my memories
I can't belong to her, I can't break free
Yeah, she's got a hold, she's got a hold on me

You are the face in every dream
Cold sweat [Incomprehensible]
Riding the stars will one day fade
Some will melt the moon away

She's got a hold on me
All of my memories
I can't belong to her, I can't break free
Yeah, she's got a hold

She's got a hold on me
All of my memories
I can't belong to her, you know I can't break free
Yeah, she's got a hold, she's really got a hold
She's got a hold on me, got a hold on me
