I know that it's been a long time since I've been gone
It's easy to forget, help me remember
Funny but I've never been good at stayin' close
But that don't mean that I never remember

And it's been so long
Been gone but feel like were one again
(So long)
And it's been so long I kept thinkin' maybe tomorrow
And now I'm gonna leave again, believe again, yeah
yeah,so long

I take a little time to think about what is right or wrong
And that will lead me home if I remember
And I do, yeah, me I know it's true
Come find me and I'll be there to tender

And it's been so long
Been gone but feel like were one again
(So long)
And it's been so long I kept thinkin' maybe tomorrow
And now I'm gonna leave again, believe again, yeah
yeah, so long

Take a little look around and I listen while I learn
Why are you the one I take for granted
'Cause I do, yeah, me I know it's true
I know you would never just demand it

And it's been so long
Been gone but feel like were one again
(So long)
Yeah, it's been so long I kept thinkin' maybe tomorrow
Now I'm gonna leave again, believe again, yeah yeah,
so long

Well, it's been so long
So long, so long, so long
