One night, one town  
Well there's just one man  
And he throws his bag down  
Then he runs away  
Just as fast as he can  
And then he falls to the ground  
And he waits

For Superman, man here I am  
Superman, here I am  
Superman, here I am  
Superman  
Here I am

Another night, another town  
Well there's just one girl  
She's lookin' all around  
And then she cries out loud, out loud  
Just as loud as she can  
Then she falls to the ground  
And she waits

For Superman, man here I am  
Superman, here I am  
Superman, here I am  
Superman  
Here I am

Another night, another town  
Well there's just one train  
She's full and loaded down  
She sputters once  
And says, "I think I can"  
And as they slide down the hill  
Well they wait

For Superman, man here I am  
Superman, here I am  
Superman, here I am  
Superman

Superman, here I am

Superman, here I am  
Superman, here I am  
Superman  
Here I am
