So, so  
So so surreal  
Aah

With my head above the water  
I can breathe to stay alive  
But I'll try a little harder  
If you want me to survive  
Yea, yea

Won't somebody tell me  
How I got to this stage  
When consequence is inconsequential  
Staring in the spotlight  
Is better than the real life

It's been surreal, how do you feel?  
When the seas part, before your eyes  
It's just so real  
(So, so)  
How does it feel?  
(So so surreal)  
When the stars that you follow die  
(Aah)

With my head above the water  
I could drift along, beyond the tides  
But I can try a little harder  
If you help me  
To reach the other side  
Yea yea

Won't somebody tell me  
How I got to this stage  
Yea, when consequence is inconsequential  
Staring in the spotlight  
Is better than the real life

It's been surreal, how do you feel?  
When the seas part, before your eyes  
It's just so real  
(So, so)

How does it feel?  
(So so surreal)  
When the stars that you follow die, hey ya  
(Aah)

Won't somebody tell me  
Yea, how I got to this stage  
When consequence is inconsequential  
Staring in the spotlight  
Is better than the real life

It's been surreal, how does it feel?  
When the seas part, before your eyes  
It's just so real  
(So, so)  
How does it feel?  
(So so surreal)  
When the stars that you follow die  
(Aah)

It's been surreal  
(So, so)  
How do you feel?  
(So so surreal)  
When the colors have left you blind  
(Aah)  
It's just so real  
(So, so)  
How does it feel?  
(So so surreal)  
To have left yourself behind  
(Aah)
