I've seen a lot of sad people
I've seen a lot of strange things
I've seen a lot of bad people
Do a lot of bad things

You know I've done some travelin'
I've done a little bit of this and that
You know I've done some wanderin'
You know I always come back, yeah back

And I relied upon you so
I've decided on you
And now I wonder
Do you think about me?

What do you think about me?
Do you think about me?
What do you think about me?

There, you've seen me go
From there to here
And where do I go to clear
My head

You know it took a little time
Just to figure it out
I took some time, just to know
What it's all about

Won't surprise me
What you say
No surprises
Any old way, but

And I relied upon you so
I've decided on you
And now I wonder
Do you think about me?

And I relied upon you so
I've decided on you
And now I wonder

Do you think about me?

What do you think about me?

So do you think about me?

What do you think about me?
