Uhh uhh

My aspiration grows and with it grows my pride  
No consolations, just frustrations, I don't mind  
I crossed a thousand rivers and never will I tire  
But I'll walk away, I'll walk away  
Take my test of time

What's ahead, that's for me to see and  
(I)  
What I am, that's for me to be and  
(I)  
Where I go, well that's for me to know and  
(I)  
Now I lead and I will not follow

My hands, they bleed from the poundin' on the door  
I fell face down and still I pounded on the floor  
My heart, it hurts and my throat it's gettin' sore  
But I'll talk my way, I'll talk my way  
Then I'll talk some more

What's ahead, that's for me to see and  
(I)  
What I am, that's for me to be and  
(I)  
Where I go, well that's for me to know and  
(I)  
Now I lead and I will not follow

Tomorrow dawn it lights the way for me  
(It lights the way for me)  
Down the road that goes on and on  
And on and on and on  
An' just survivin' ain't the way to be  
Tried it once and it took it's toll on me  
An' nobody willin' to

What's ahead, well that's for me to see and  
(I)  
What I am, that's for me to be and  
(I)

Where I go, well that's for me to know and  
(I)  
Now I lead and I will not follow

He hesitated, never acted in the now  
I never waited, wiped the sweat off of my brow  
They congregated, yea so I looked at them and bowed  
And I'll have my way, I'll have my way  
Never turn around

What's ahead, well that's for me to see and  
(I)  
What I am, well that's for me to be and  
(I)  
Where I go, well that's for me to know and  
(I)  
Now I lead and I will not follow

Ohho, oh oh oh oh oh oh oh oh  
(Oh oh my love)  
Ohho, oh oh oh oh oh oh oh oh  
(Oh oh my love)  
Ohho, oh oh oh oh oh oh oh oh  
(Oh oh)  
Ohho, oh oh oh oh oh oh oh oh  
(Oh oh)
