Oooah...
I know how it feels
To have your love gone,
And wanting to feel him in your arms.
Oooah...
I know how it feels
To have your heart torn,
And the feeling of love that has died.
Now listen baby!
Gimme back, gimme back, gimme back my love affair!
4x
That's what I long, that's what I need. 2x
Oooah...
I know how it feels
To be a loved child,
And to be the only one he loves
Oooooah...
And I know how it feels,
To be alone again
And longing for him by your side.
Now listen baby!
Gimme back, gimme back, gimme back my love affair!
4x
That's what I long, that's what I need 2x
Listen baby... Gimme back...
That's what I want...
You're what I want, you're what I need
Gimme back, gimme back. Ooh... ooh...
