Fuck you! Fuck them and fuck the world too.  
Do I look like some bitch to you!  
I'll bet a blackened eye that you'll remember my name.  
Well shorty step right back and get out of my face and  
my way!  
You turn my hard heart cold, stealing what we earned  
and call it "Rock and Roll".  
I'll bet our 2 cents an hour and all the hurt in the world  
that you all will burn!

Hey!  
This is the Fight Song.  
Don't point your finger at me!  
Pray for that God forgives... I Don't  
Hey!  
This is the Fight Song, no matter where you're from.  
Pray for that God forgives... I Don't!

Listen! You make this bad blood rise.  
Hand me some rope cus I'll be hanging around hearing  
blacktounge bitchin'  
For hours on end.  
C'mon gimme a break and drop fucking... !  
Now! Let's keep it honest in here,  
I don't know you so you sure don't know me.  
So keep my name out of your mouth and we can keep it  
the same just like the doctor said.

Hey!  
This is the Fight Song.  
Don't point your finger at me!  
Pray for that God forgives... I Don't.  
Hey!  
This is the Fight Song, no matter where you're from.  
Pray for that God forgives... I Don't!

Hey!  
This is the Fight Song.  
Don't point your finger at me!  
Pray for that God forgives... I Don't.  
Hey!

This is the Fight Song, no matter where you're from.  
Pray for that God forgives... I Don't!  
No matter where you're from  
Don't point at me, you hear?  
God forgives... I Don't!
