So hellish mean yet tragical
And so obscene
It's hostile, violent tonight, and you'll find
The mane attraction is the action in our kill
Get yourself ready for a fight

This is all there is to be
For y'all to see
It is all we know
We're all fucking ready to blow

Hostile violent
We're bad news a-comin' to smash your silence
Hostile violent
We're bad news bad we're
Hostile violent
We're bad news a-comin' to smash your silence
Hostile violent
We're bad news bad so bad

Let's turn it up
Into this madhouse human zoo
You don't have to look twice, you will find
Us kick the living shit outta everything in sight
You can consider yourself thru'

This is all there is to be
For y'all to see
It is all we know
We're all fucking ready to blow

Hostile violent
We're bad news a-comin' to smash your silence
Hostile violent
We're bad news bad we're
Hostile violent
We're bad news a-comin' to smash your silence
Hostile violent
We're bad news bad so bad

Coming closer now we're near

Listen! The scratching on your wall
My switchblade knife hostility calls

Lyrics: C.Mårtensson
