Looks like were running out of time  
Cant hide away  
In nights no longer yours or mine  
All things must change  
Its so painful when nothing ever stays the same  
But I must go on  
While you run away from love, oh  
Next time you'll know  
Not to let my love go  
When you feel afraid  
And you can't love nobody  
Next time you'll know  
You must let your heart show  
Till the dyin day, my friend  
Maybe I hurt too easily  
But is it wrong  
To feel betrayed when love can't be  
You could change your mind  
No excuses could ever make me change mine  
But Ive got to be strong  
And believe I'll find the love, oh  
Next time you'll know  
Not to let my love go  
When you feel afraid  
And you can't love nobody  
Next time you'll know  
You must let your heart show  
Till the dyin day, my friend, no  
Oh...believe it  
Next time you'll know  
Not to let my love go  
When you feel afraid  
And you can't love nobody  
Next time you'll know  
You must let your heart show  
Till the dyin day, my friend, whoa...oh...  
Next time you'll know  
Not to let my love go  
When you feel afraid  
And you can't love nobody  
Next time you'll know

You must let your heart show  
Till the dyin day
