Little by little my love  
Each day inch by inch we fade away  
Screw all the matters, save the end  
Better start breathing, stop pretend  
Out of the blue as a long lost child  
Into the black running wild  
Beat up & bruised but hey I'm alright yeah I'll stray

Feel it's trembling wild

You've predicted a war inside of my mind  
Red-on! Alright!  
I'm on parole and killing time  
You've predicted a war inside of my mind  
Red-on! Alright!  
I'm on parole and killing time

Back on demand for sure  
It's you who justify my point of view  
Caught up in dreaming, I'm aware  
High on devotion & I don't care  
Out of the blue as a long lost child  
Into the black running wild  
I'm on the loose but I'm still alright yeah I'll stray

Feel it's trembling wild

Lyrics: C.Mårtensson

You've predicted a war inside of my mind  
Red-on! Alright!  
I'm on parole and killing time  
You've predicted a war inside of my mind  
Red-on! Alright!  
I'm on parole and killing time

I'm on my way to go now  
I'm on my way, I'm on my way  
Feel it's trembling wild

I'm on parole & I'm

Red-on! Alright!  
With war inside my mind  
I'm on parole & I'm  
Red-on! Alright!  
With war inside my mind
