I've got the cutest, sweetest, oh my oh
He's just a country boy who works around farms
But he has his charms
And jumpin' jeepin' creepers when I'm in his arms
I get so oh my oh
He is the only one who ever thrilled me so

He knows his chickens & his cabbages too
But where the dickens did he learn to
He's got that oh my oh
Just wait til I get back to Ohio

You may think you've seen
The lovers on the screen
They're just very ordinary
By that I mean
Those heart breakers
Haven't a chance
With my new romance

Down by the old Ohio
That's where I found him
I got the cutest oh my oh
He's the sweetest country boy who works around farms
Yes but he has his charm
For jumpin' jeepin' creepers when I'm in his arms
I get so oh my oh, oh my, oh mi, oh my
He is the only one that ever, ever thrilled me so

He knows his chickens & his cabbages too
But where the dickens did he learn to
He's got that oh my oh
Just wait til I get back to Ohio

I get so oh my oh
He is the only who ever thrilled me so
He knows his chickens & his cabbages too
But where the dickens did he learn to
He's got that oh my oh, oh my, oh my
Just wait til I get back to Ohio
