"Down In The Valley"

Visit "[Down In The Valley](#)" on [MotoLyrics.com](#)

Down in the valley, the valley so low
The valley so low
Late in the evening, hear that train blow

Hear that train blow, love
Hear that train blow
Late in the evening, hear that train blow

The train don't stay, love
It goes right through
And now it's gone, love
And so are you

Before you go, love
For old time sake
Put your arms 'round me
Feel my heart break

Down in the valley, valley so low
Late in the evening, hear that train blow
The train is gone, love
And out of sight
Good night my darling
Darling good night
Good night
