"All I Want"

I'm always screaming my lungs out
till my head starts spinning.
Playing my songs is the way
I cope with life. Won't keep my voice down.
Know the words I speak are the thoughts
I think out loud.
I like to keep things honest.
I'm a safe bet like your life's
staked on it. For real.
I'd hate to keep you all wondering.
I'm constant like the seasons,
and I will never be forgotten man.

Let's leave no words unspoken
and save regrets for the broken.
Will you even look back when you think of me?
All I want is a place to call my own,
to mend the hearts of everyone
who feels alone (whoa)
You know to keep your hopes up high
and your head down low.

Keep your hopes up high and your head down low.

Still got something left to prove.
It tends to keep things movin'.
While everyone around me
says my last days are looming
overhead but just what the hell
do they think they know?
I keep my head above the water
while they drown in the undertow.

Let's leave no words unspoken
and save regrets for the broken.
Will you even look back when you think of me?
All I want is a place to call my own,
to mend the hearts of everyone
who feels alone (whoa)
You know to keep your hopes up high

and your head down low.

All I want is a place to call my own,
to mend the hearts of everyone
who feels alone (whoa)
You know to keep your hopes up high
and your head down low.

If you take it from me,
live your life for yourself.
Cause when it's all said and done
you don't need anyone else.(come on)

So let's get back to when
everything seemed perfect.
Not a worry in the world,
so tell me was this all worth it?
I get what I want,
so everyone's always judging me.
I'm not afraid of anything,
and I've got the whole world in front of me.

All I want is a place to call my own,
to mend the hearts of everyone
who feels alone (whoa)
You know to keep your hopes up high
and your head down low.

All I want is a place to call my own,
to mend the hearts of everyone
who feels alone (whoa)
You know to keep your hopes up high
and your head down low.

Keep your heads down low.
Keep your heads down low.
Keep your hopes up high and your head down low.
