Been through a lot this last year  
Like everything I love is slipping away  
And every time I come home  
Some of me isn't there  
I got to get it together  
I got to do things for myself  
I've giving everything  
Plus you take some from me  
I need some room to breath

Come on come on  
You know this isn't what we planned on  
Come on come on  
Tell me we'll be ok  
(We'll be ok)  
Lets go back lets go back  
To a time where I  
Still felt I had a family

This isn't what I remember  
Everyone is looking  
Out for just themselves  
And need be I'd be happy to leave  
I see straight through  
That smile straight through  
That painted face  
Don't think I can't tell  
Which one of you is against me

Come on come on  
You know this isn't what we planned on  
Come on come on  
Tell me we'll be ok  
(We'll be ok)  
Lets go back lets go back  
To a time where I  
Still felt I had a family

I had the greatest faith in fools,  
I turn my back and out came the wolves!

Pay attention!

Come on come on  
You know this isn't what we planned on  
Come on come on  
Tell me we'll be ok  
(We'll be ok)  
Lets go back lets go back  
To a time where I  
Still felt I had a family

Been through a lot this last year  
Like everything I love is slipping away
