Everything around me seems so much different than  
where I'm from  
And at this rate I think my fate's been sealed  
This life's so unpredictable  
We'll go continue to live a life that no one knows  
Where's this gonna go?

Right here, right now  
This is the beginning of the end  
And I won't sing one single thing until we can get this  
right  
I'm moving on  
I'm moving on

Hey mom, I wrote you some soft songs  
And tell dad I'm just fine  
We had to choose  
We made our moves  
And now we got to go, go

Everything about me seemed so much different when I  
was young  
I couldn't wait to take my place  
Five years have passed  
Good god have I been gone?  
So why, I've never felt so alone in my whole life  
Times not on my side

Right here, right now  
This is the beginning of the end  
And I won't sing a single thing until we can get this  
right  
I'm moving on  
I'm moving on

Hey mom, I wrote you some soft songs

And tell dad I'm just fine  
We had to choose  
We made our moves  
And now we got to go

And why's this make me so nervous?  
Why does everything go wrong?  
Why's this make me so nervous?  
Why does everything go wrong?

I'm holding on to a fairytale  
We're moving forward but we're not there yet  
I'm holding on to a fairytale  
We're moving forward  
we're moving forward

I'm holding on to a fairytale  
We're moving forward but we're not there yet  
I'm holding on to a fairytale  
We're moving forward, we're moving forward

Hey mom, I wrote you some soft songs  
And tell dad I'm just fine  
We had to choose  
We made our moves  
And now we got to go

And why's this make me so nervous?  
(You make me so, you make me so)  
Why does everything go wrong?  
Why's this make me so nervous?  
(You make me so, you make me so)  
Why does everything go wrong?
