Tonight I'm sending you a message  
This is the end of an era  
The end of second chances  
In the face of defeat  
I'm winning  
Yet you still have so much left to say  
Oh they're coming straight for me  
Ow they're coming straight for me  
Read between the lines  
We can't give in this time  
Just let me go for now I'll be just fine (I'll be just fine)  
Don't ya know don't ya know  
Now that I'm back on my own  
Just let me go for now I'll be just fine (I'll be just fine)  
Don't ya know don't ya know  
Now that I'm back on my own  
Tell me how it feels  
To watch the walls of your security crumble  
I remember you  
You took the easy way out when I gave you something  
to stand for  
Oh they're coming straight for me  
Ow they're coming straight for me  
Read between the lines  
We can't give in this time  
Just let me go for now I'll be just fine (I'll be just fine)  
Don't ya know don't ya know  
Now that I'm back on my own  
Just let me go for now I'll be just fine (I'll be just fine)  
Don't ya know don't ya know  
Now that I'm back on my own  
I was just another promise you couldn't keep  
I was just another promise you couldn't keep  
Read between the lines  
We can't give in this time  
Just let me go for now I'll be just fine (just let me go)  
Don't ya know don't ya know  
Now that I'm back on my own  
Just let me go for now I'll be just fine (I'll be just fine)  
Don't ya know don't ya know  
Now that I'm back on my own
