We're coming out swinging!  
Started out in the spring of 2003  
Never went to school, nobody talked to me  
Except to tell me all the things I couldn't do  
Don't want to hear about it.  
Cramming our bags into the back off all our cars  
We all but knew but seemed to never know the part  
I played a show with Nitro that made me sick

So here I am. I'm right back at it again.  
Just like I've always said, you're just too cool for school.  
You ain't here to make no friends.  
And I said hey (HEY)  
I'm right back at it again.  
Just like I have always said, you're too cool for school.  
You ain't here to make no friends.  
That tour we'd go to the backup plan  
Everyone one that we knew that we couldn't stand  
Said if you can't make it here you won't make it  
there.  
Don't want to hear about it.

Spent most of our nights sleeping on hardwood floors.  
Needed help getting help getting through to any open  
doors.  
Played a show with Nitro, it all made sense.

So here I am. I'm right back at it again.  
Just like I've always said, you're too cool for school.  
You ain't here to make no friends.  
And I said hey (HEY)  
I'm right back at it again.  
Just like I have always said, you're too cool for school.  
You ain't here to make no friends.  
\*Recess Whistle\*

Dont wanna hear about it,  
Dont wanna hear about it (HEY)

So here I am, I'm right back at it again.  
Just like I've always said you're just too cool for school

You ain't here to make no friends.  
And I said hey!  
I'm right back at it again.  
Just like you'll always say, you're too cool for school  
You ain't here to make no (BRACE FOR IMPACT!)

Dont wanna hear about it  
Dont wanna hear about it
