A Day To Remember Right Where You Want Me To Be Lyrics

This is the first time in a long time  
That I've felt like coming home for the holidays.  
Everybody's rushing about  
Why won't anybody hear me out?  
My money's low  
So instead I'll write you a song everyone will know  
Everyone will know  
So here it goes

Can you hear me?  
I write so much and it makes me sick  
That is all  
About you

Lets drop everything  
And not come back 'til next fall  
Everyone knows that you've got me  
Right where you want me to be.

I'm coming home for the bright lights  
And the long nights  
Driving around with your friends in your parents car.  
We're the ones who made it out  
We're the ones who they'll talk about

My money's low  
So instead I'll write you a song everyone will know  
Everyone will know  
So here it goes

Can you hear me?  
I write so much and it makes me sick  
That is all  
About you

Lets drop everything

And not come back â€˜til next fall  
Everyone knows that youâ€™ve got me  
Right where you want me to be.

Looking back on what weâ€™ve done this year  
It was the best times  
It was the worst times  
But we built something here

Can you hear me?  
I write so much and it makes me sick  
That is all  
About you

Lets drop everything  
And not come back â€˜til next fall  
Everyone knows that youâ€™ve got me  
Right where you want me to be.

Can you hear me? (can you hear me?)  
I write so much and it makes me sick  
That is all  
About you

Lets drop everything (lets drop everything)  
And not come back â€˜til next fall  
Everyone knows that youâ€™ve got me  
Right where you want me to be.
