A Day To Remember
"That Is The House That Doubt Built"

Don't get me started on what it means to be alive.
You're lying to yourself and then still, you act
surprised,
'Cause you're scared; can't come to terms with what
you are.
The wolf in sheep's clothing will only lead you so far...

You'll wait, and you'll go.
'Cause in the end we all end up alone,
So just wait... you'll know...

Forget everything just for tonight,
We'll sing like everyone when they're alone.
'Cause I've been waiting for tonight to sing whoa;
whoa!

I rely on myself, just making sure that was clear.
I'm not in need of your crutches; I've faced all my
fears.
I want what I knew I could have.
Life is not a punch card; make the best of what you
have.

But don't wait; just go...
And when you find yourself, please let me know.
It's not too late to just let go...

Forget everything just for tonight,
We'll sing like everyone when they're alone.
'Cause I've been waiting for tonight to sing whoa;
whoa!

Lets believe that if we all stand together,
We're a force that can shake the whole world.
For once I'm doing something right; when we sing
whoa; whoa!

In the end it's not about what you have,
In the end it's all about where you wanna go,
And the roads you take to help you get there.
I hope you think that's fair.

'Cause you've only got one life to lead,
So don't take for granted those little things.
Those little things, are all that we have.

Forget everything just for tonight,
We'll sing like everyone when they're alone.
'Cause I've been waiting for tonight to sing whoa;
whoa!

Lets believe that if we all stand together,
We're a force that can shake the whole world.
For once I'm doing something right; when we sing
whoa; whoa!
(Whoa; whoa)
Everything, everything...
'Cause I've been waiting for tonight to sing whoa;
whoa!
