

A Day To Remember "The Danger In Starting A Fire"

Visit "[The Danger In Starting A Fire](#)" on MotoLyrics.com

Tonight I'm sending you a message
This is the end of an era, the end of second chances
In the face of defeat, I'm winning
Yet you still have so much left to say

Oh, they're coming straight for me
Oh, they're coming straight for me
Read between the lines
We can't give in this time

Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on
my own
Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on
my own

Tell me how it feels
To watch the walls of your security crumble
I remember you, you took the easy way out
When I gave you something to stand for

Oh, they're coming straight for me
Oh, they're coming straight for me
Read between the lines
We can't give in this time

Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on
my own
Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on
my own

I was just another promise that you couldn't keep
I was just another promise that you couldn't keep

Read between the lines
We can't give in this time

Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on

my own
Just let me go for now I'll be just fine
Don't you know, don't you know now that I'm back on
my own
