Duh, duh, duh, duh, duh, duh, duh, duh
Duh, duh, duh, duh, duh, duh, duh
Let's go

It's not easy making a name for yourself
Where do you draw the line?
I never thought I'd be in this far
Let's have some fun and never change that for anyone
Try not to miss me when I'm gone

I sold my soul to the open road
I live my life alone
You'll find me in the same spot believe me
I could never stop, my life's turned upside down

Meet me out past the train tracks
I'm leaving and not coming back
You're right and I was wrong
This town will be the downfall of us all

I'm gonna need you to try to follow along
I did the best that I could to try to write you songs

Now go tell them we sold out
Like we're the ones who changed
I wrote the feeling's new to me, in my sincerity

I sold my soul to the open road
I live my life alone

You'll find me in the same spot believe me
I could never stop, my life's turned upside down

Meet me out past the train tracks
I'm leaving and not coming back
You're right and I was wrong
This town will be the downfall of us all

Don't forget yourselves, we've made up our minds
And we signed 3, 4, 5 on the dotted line
Don't forget yourselves, we've made up our minds
And we signed 3, 4, 5 on the dotted line

You'll find me in the same spot believe me
I could never stop, my life's turned upside down
Meet me out past the train tracks
I'm leaving and not coming back
You're right and I was wrong

You'll find me in the same spot believe me
I could never stop, my life's turned upside down
Meet me out past the train tracks
I'm leaving and not coming back
You're right and I was wrong

This town will be the downfall of us all
This town will be the downfall of us all
Downfall of us all, downfall of us all
Downfall of us all, downfall of us all
