He can stay away too long  
Then come back like nothing's wrong  
I'm a fool and no-one knows it better than the one I love

He knows I love him too much  
He knows I love him too much  
He knows I'm goinna forgive  
Cuz I couldn't live  
Without him.

When he's through with someone else  
Then he takes me off the shelf.  
My heart's a toy and like a little boy he breaks it when  
he's through.

He knows I love him too much  
He knows I love him too much  
But I don't care if I cry, I know I would die  
Without him.
