Verse 1 :

There's something so special, in the air, I can feel it
closing in.
I like the way you, pretend you don't care, it's got me
fascinated.
Look in my eyes, say's that I'm ready, for me to take
you over.
So don't stop talking, quit acting surprised.
I want you to tell me something.

Pre hook :

Please me, turn around and won't you keep on teasing
me.
You know that I'm ready for your, love.
You're the only one I'm thinking, of.
So won't you give it to me.

Hook :

Cause your loves got me flying through the sky, I'm so
high.
Nobody's had me feeling like you do, so I want you, to
stop playing and,
give it to me x2,
all your love x 2,
give it to me x2,
all your love
give it to me x2,
all your love x 2,
give it to me x2,
all your love

Verse 2 :

There's something about you, I'm lost for words.
I feel I'm getting weaker.
When you look at me, I'm taken back, I feel it getting
deeper.
Don't stop now, we've come too far.
To say we're feeling nothing.
And I wanna know if we're just playing a game.
Or is it something stronger.

Pre hook :

Please me, turn around and won't you keep on teasing me.

You know that I'm ready for your, love.

You're the only one I'm thinking, of.

So won't you give it to me.

Nobody's had me feeling like you do, so I want you, to stop playing and,
