You can reach me by railway  
You can reach me by trailway  
You can reach me on an airplane  
You can reach me with your mind

You can reach me by caravan  
Cross the desert like an Arab man  
I don't care how you get here  
Just get here if you can

You can reach me by sailboat  
Climb a tree and swing rope to rope  
Take a sled and slide down slope  
Into these arms of mine

You can jump on a speedy dolt  
Cross the border in a blaze of hope  
I don't care how you get here  
Just get here if you can

There are hills and mountains between us  
Always somethin' to get over  
But if I have my way, surely you would be closer  
I need you closer...

There are hills and mountains between us  
Always somethin' to get over  
But if I have my way, surely you would be closer  
I need you closer...

You can windsurf into my life  
Take me up on a carpet ride  
You can make it in a big balloon  
But you better make it soon

You can reach me by caravan  
Cross the desert like an Arab man  
I don't care how you get here  
Just get here if you can

I don't care, I don't care

I want you to get here (Aah, aah)  
I don't care how you get here  
I need you right here, right now  
I need you closer, closer

I can't wait another day  
No, no, no, no  
I need you right here, right now, yeah, yeah  
Right here, right now  
Right here, right now  
I need you,  
I want you to get here  
Yeah, yeah...ohh-oh-wohh...  
I don't care how you get here  
Just get here if you can...
