There's so much life  
I've left to live  
And this fire's burning still

When I watch you look at me  
I think I could find a will  
To stand for every dream  
And forsake this solid ground  
And give up this fear within  
Of what would happen if they ever knew  
I'm in love with you

'Cause I'd surrender everything  
To feel the chance, to live again  
I reach to you  
I know you can feel it too  
We'd make it through

A thousand dreams I still believe  
I'd make you give them all to me  
I'd hold you in my arms and never let go  
I surrender

I know  
I can't survive another night away from you  
You're the reason I go on  
And now I need to live the truth

Right now, there's no better time  
From this fear, I will break free  
And I'll live again with love  
And know they can't take that away from me  
And they will see... yeah

(I'd surrender everything)  
To feel the chance, to live again  
I reach to you I know you can feel it too  
We'd make it through

A thousand dreams I still believe  
I'll make you give them all to me

I'll hold you in my arms and never let go  
I surrender

Every night's gettin' longer  
And this fire getting stronger baby  
I'll swallow my pride  
And I'll be alive  
Can't you hear my call?  
I surrender all...

(I'll surrender everything)  
(To feel the chance, to live again)  
I reach to you  
I know you can feel it too  
We'll make it through

A thousand dreams I still believe  
I'll make you give them all to me  
I'll hold you in my arms and never let go  
I surrender

Right here, right now  
I'd give my life to live again  
I'll break free  
Take me, my everything

I surrender all to you  
(Right now)  
Right now  
(I'd give my life to live again)  
I'd give my life  
(I'll break free, Take me)  
Take me, take me  
(my everything)  
My everything

(I surrender all to you, right now)  
Right now  
(I'd give my life to live again)  
I'd give my life to you baby  
I'll break free, yeah free
