Daddy plays the ashtray.  
Baby starts to cry.  
The Lady wants to know  
The reason why  
Daddy?s just like Coltrane.  
Baby?s just like Miles.  
The Lady?s just like heaven  
When she smiles.

And the Lady wants to know  
She wants to know the reason  
Got to know the reason why.  
This man has got to go  
This man is always leavin?  
How he hates to say goodbye.

But what she doesn?t know  
Is there really is no reason  
There really is no reason why.

Daddy he hates airplanes.  
Baby loves to fly.  
And the Lady wants to know  
The reason why.  
Daddy?s just like Coltrane.  
Baby?s just like Miles.  
The Lady?s just like heaven  
When she smiles.
