Kung gusto kong kumanta  
At gusto ko ring sumayaw  
Ako'y sumisipol saka malalaman  
Ako pala'y payasong walang kasayaw

Bakit tayo ganito  
Mga puso nati'y mailap  
Lumapit ka giliw at tayo'y mag-samba  
Kahit minsan man lamang

Kay tamis ng musika  
Hanggang sa pagsapit ng umaga  
Basta't ang samba'y sayaw  
Tayo'y magsasama muli  
Walang hahadlang  
Wala ring pipigil maski sino man  
Narito na ang awit  
At narito na ang sayaw  
Huwag mong biguin sinta  
Hayaan malasin mo na tayo'y mag-samba  
We'll make such sweet music  
Until the night is done  
Just dance the samba with me  
We'll be together again  
Say you love me and I'll say I love you too  
This is the time for that song  
And this is the time for that dance  
I don't feel alone because I know that you'll stay with  
me  
To samba through life with me?.(slowly fade)
