It's hard for me to stop my heart  
Love never knows when the time is right  
I don't want to hurt anybody  
But I can't help lovin' you

I never felt like this before  
I know there's a special place worth waiting for  
Let life take its course  
That's the only thing for us to do, yeah

We've got time, oh baby, there's no rush  
Gonna be a better day for us  
Hang on and I will wait for you  
Our love will always stay as good as new  
Time and tide  
Nothin' and no one can stop us now  
For better, for worse  
This time I'm sure  
It's gonna last

How can I stop my heart  
Love never knows when the time is right  
I don't want to hurt anybody  
I don't wanna make them cry?  
Don't wanna make them cry

We've got time, oh baby, there's no rush  
Gonna be a better day for us  
Hang on and I will wait for you  
Our love will always stay as good as new  
Time and tide  
Nothin' and no one can stop us now  
For better, for worse  
This time I'm sure  
It's gonna last

Hey, hey, hey

It's a matter of time, yeah  
Only a matter of time,  
Just a matter of time...

Time and tide  
Nothin' and no one can stop us now  
For better, for worse  
This time I'm sure  
It's gonna last  
Gonna last forever!

We've got time, oh baby, there's no rush  
Gonna be a better day for us  
Hang on and I will wait for you?
